

D & J Nursery over 5 acres and 7 greenhouses in growing material, our nursery offers a little bit of everything. Trees, shrubs, flowers and numerous seasonal and specialty items, D & J Nursery in Dothan, Alabama, is the place where green is always in season.

In addition to our green goods, we also offer a wide variety of hard good items. We are a dealer for Netafim and Jain micro/drip irrigation products and we carry a selection of fertilizers and chemicals, such as insecticides and fungicides.

With our large array of items and genuine customer service, you can enjoy a great nursery experience.

We will have our 2011 mums ready for pick up around mid September.
